

6 BC

Christ was probably born
in 6 BC.

Bible suggests that Christ
was 2 yrs old when King Herod
died.

We know from other
sources, Herod died when
in 4 BC

6 BC

(Chronographer)

Probably birth of Christ

Herod the Great died in 4 BC.

If allowance is made for visit of the magi and the flight into Egypt, the year 6 BC becomes probable for the date of the birth.

(2) Jesus was born during a universal census of the Roman

Empire, with QV1210105 was given
of Syria. Historical data concerning
the career of QV1210105 do not make
it unlikely that he took up a career
in Palestine about 6 BC

Tribunician power was bestowed
on Tiberius for a period of 5 yrs to
25 June 1 BC

The Senate majority nominated
Sawo to be CONSOLE at the ridiculous
age of 13. Displaced, embittered, and loveless
Tiberius relinquished his civic responsibilities
and sailed away from Rome with barely
a word to anyone.

Augustus commended him to
return. He obstinately refused - until
he realized he had made a grave

and dangerous mistakes

Because so time went by, Argentino
decided he could do very well without
Tatiana, and so could GATOS.

Tatiana's identification as Argentino could
keep her out of harm. Argentino refused
all counseling when GATOS asked;
and with GATOS overruling the influence
of a military advisor named WACCI'S LOCUS
who has a grudge against Tatiana

Jesus

son of Mary, wife of Joseph

Exact date of birth unknown but
between 8 BC and 4 BC. The Christian
reckoning which dates the birth as
1 A.D. is based upon a miscalculation
of DIONYSIUS EXIGUUS

Tiberius asked permission from Augustus & Livia to withdraw from public life.

He lived quietly on the island of Rhodes for almost 8 years.
